Decentralized Global Music Initiative

## **The Vision**

Mr. Fixer Music reimagines sound as a public, emotional currency - flowing freely, outside of corporate ownership. Each track is a timestamped block in an ever-growing musical chain.

## **Commercial Licensing**

For brands, filmmakers, developers, or agencies:

Requests must include: intended use, territory, duration, media type.

## **This is Not a Brand - It's a Movement**

Mr. Fixer Music is powered by a human-AI collective. It's made for movement, freedom, and emotion - not for exploitation.

Mr. Fixer is not a person - it's a sound system for the free world.
